

## Triple Tree Ministries December Ladies Night

Please join us in spreading God's love and the joy of giving at this Christmastime. We will be delivering shoeboxes that we have collected filled with various items for the elderly residents of Lancashire Hall Nursing Home. Also feel free to bring a shoebox the night of the event to share with a resident if you have not yet brought one in. Please come and share this time with us as Sisters in Christ. As much as it will bring a smile to the residents face it will surely bring a smile to our face and heart as well!
